A board that is too large is as ineffective as a board that is under-represented. Therefore, selection of district representative candidates will be based on:

- Demonstrated need and coverage in the district.
- Board room size and fire safety code (occupancy) considerations.
- Availability and commitment to attend the quarterly board meetings and annual business meeting.
- Commitment to providing meaningful participation on the committees to which district representatives have been assigned.
- Ability to meet the “Good Moral Character” requirements, as noted in the MDTSEA Constitution/By-Laws.
- Review and recommendation for selection by the Membership, Outreach, Nominations, and Awards Committee; with full board approval.
